AMENDMENT AND RESPONSE TO OFFICE ACTION

Dear Sir:

In response to the Office Action of November 2, 2005, the Inventors file the attached Petition for Extension of Time and this Amendment and Response as follows:

Amendment

Please **cancel** Claims 18-24.

Please **amend** Claims 1 and 25 as follows:

1. A fly pack for the temporary storage and simple retrieval of fly fishing flies, comprising:
 - an openable drum including an interior drum surface and an exterior drum surface;
 - a fastening for operably securing the fly pack in drum form;
